Agenda Item: 11 Parish Council 11th November 2025

Sutton-on-Trent Parish Council

Subject:	**To note receipt of an updated quotation in relation to the proposed War Memorial and plan a way forward to deliver the project**
Report by:	**Clerk to the Council**

1. Background

At the 14th October 2025 meeting Members agreed that their preferred material was Honed Avon Dark Grey Granite. The Clerk was asked to seek a quotation for a (6ft) 1.8m war memorial as Members considered the current height could be too small.

2. Present Position

E Gill & Sons (Memorials) Ltd were asked to update the quotation for the chosen material for the War Memorial at 1.8m.

That has now been received with the quotation for the Honed Avon Dark Grey Granite increasing from £4,080 to £5,826.

The quotations for the second two parts remain static at £2,195.30 for the inscriptions and engraving, and £3,855.50 for the plinth.

3. Recommendation

Members are asked to consider the new quotation.

All costs are subject to VAT, and a deposit of 50% would be required if any order was placed.

Further costs would be incurred with the requirement to submit a full planning application to Newark & Sherwood District Council.

In terms of funding, the Parish Council currently has an amount of £7,662 in reserves for Village Projects. The additional amount required, based on the most expensive stone, would be £3,988.80.

Clerk to the Council
